

SAIFULLAH KHAN

MECHANICAL ENGINEER

OBJECTIVES

- ✓ An ability to apply knowledge of mathematics, science, and engineering to mechanical engineering problems
- ✓ An ability to design systems, components, or processes to meet desired needs
- ✓ Ability to apply programming knowledge to machine learning, industrial automation and artificial intelligence.
- ✓ An ability to use programming and Computer skills to engineering problems.

EXPERIENCE

2019 - 2019

Pakistan locomotive factory

Trainee, Risalpur

Pakistan locomotive factory is manufacturing industry where train body parts are designed and repaired. I learned a lot of processes like milling, cutting, grinding, welding, rolling, design etc. Different processes are carried out, learn how process and product layout carried out practically and observed it.

2020 - 2020

Kawsar engineering pvt Ltd.

Hayatabad, Peshawar

I work as quality and inspection trainee engineer. Where I learn different testing like heat reversion, Specific gravity, pressure, impact testing and tensile stresses.

EDUCATION

2016 - 2020

Graduation /engineering

University of Engineering and Technology Peshawar, Peshawar
I completed my graduation in BS mechanical engineering from university of engineering and technology Peshawar.

ABOUT ME

I'm a mechanical engineer and a programmer having IT and machine learning skills.

SKILLS

Programming languages

Python	<div><div></div></div>
Java	<div><div></div></div>
Javascript	<div><div></div></div>
C++	<div><div></div></div>

Software

Pro e	<div><div></div></div>
Autocad	<div><div></div></div>
Matlab/octave	<div><div></div></div>

Automation and IT

Data visualization	<div><div></div></div>
Machine learning and Ai	<div><div></div></div>
IT networking and security	<div><div></div></div>

Languages

English	<div><div></div></div>
Urdu	<div><div></div></div>
Pashto	<div><div></div></div>

2014 - 2016

Intermediate college /hssc

Government college peshawar , Peshawar
I completed my intermediate from government college peshawar and got A1 grades.

2012 - 2014

Matriculation /ssc

Khyber model school , Peshawar
I did my matric from khyber model school and got A1 grades 1st position in school.

CERTIFICATES

2020 - 2020

PROJECT MANAGEMENT

University of California Irvine , Online through coursera

I did my project planning and initiating from UCI through coursera.

2020 - 2020

PYTHON PROGRAMMING

University of Michigan , Coursera

I have been working in python for many years but I got certified in python from university of Michigan.

2020 - 2020

IT FIELD AND NETWORKING

Google , Coursera

I completed my Google IT Certificate courses includes fundamentals,Networking ,administration, security etc

2020 - 2020

ARTIFICIAL INTELLIGENCE AND DEEP LEARNING

Deeplearning. Ai, Coursera

I Completed my Artificial intelligence and deep learning course. Learn how to use programming language to automate things.
